Children's Program

You are invaluable to supporting our services!

Throughout the months of June and July, our incredible partner, RealVisions Realty Team, will be coordinating the 2nd annual Christmas in July Donations Drive for the HER Shelter. This Drive is dedicated to collecting items and funds to support the children of domestic violence survivors who are served by the HER Shelter. On any given year, the Shelter assists between 150-200 children of all ages ranging from newborns to older teens. This event is the Shelter's primary fundraiser to support this particular arm of the Shelter.

We would love for you, your organization or business, social group or church, to use this event as an opportunity to become invested in the Children's Program at the HER Shelter on a regular basis. On the following page we have outlined both long-term and short-term opportunities through which you can help change the lives of those in our programs.

A giant thank you from all of our grateful kids!

There are many ways to help our Children!

Each year we have more than 150 children pass through the halls of our shelters. Ranging in age from newborn to 18, these children have diverse need ranging from shoes to clothes, backpacks to new glasses, and so much more!

Adopt-A-Child

Camp Rudolph Scholarships

Every summer we have the opportunity to take some of our kids out of their crisis situations and to Solid Foundations Summer Camp. It is designed just for them and they have the time of their lives! We are hoping to get 10 more scholarships at \$250 a piece! That includes their camp fee, tshirt, and canteen fund for the week!
