Note

Dear Faithful Partners,

I write to encourage you with a brief ministry update. We press forward despite the challenges Covid-19 presents, and we are excited to share how the Lord continues to allow us discipleship opportunities both online and in-person among the Lakota people, even while the Reservation remains in lockdown mode.

Ryvee & Jenie accepted the Lord  
spring 2017.

A beautiful testimony of a Christian couple emerges from the Reservation. Meet our brother and sister in Christ--Ryvee and Jenie. This couple placed their trust in the Lord March 2017 during our mission trip street evangelism. We are thrilled that they are growing in their faith and have a local church where they fellowship. We are also humbled to be part of their discipleship and daily walk with the Lord. Please pray for this wonderful couple as their faith is being stretched. Jenie requests prayer for a personal health issue. Ryvee is praying and actively looking for a new job. He lost his job because of the pandemic spike in the Rosebud Reservation. They ask for prayer for their faith to remain steadfast during these trying times.

We are thankful for the ongoing opportunities we have to minister to the Lakota people. As we look ahead, much prayer and preparations are taking place for mission trips to occur after the pandemic bans are lifted. Please pray with us for much-needed wisdom, sensitivity, and clear direction.

Thank you for being part of their lives and our vision. Thank you for being committed to the Gospel with us. We are renewed in our passion and resolve for spreading the Gospel. Your prayers, encouragement, and financial support make it possible to have a more effective effort.

For the sake of the Lost, and from all of us at One-Way,

Jerry

**Now to Him who is able to keep you from stumbling, and to make you stand in the presence of His glory blameless with great joy, to the only God our Savior, through Jesus Christ our Lord, be glory, majesty, dominion and authority, before all time and now and forever. Amen.**
