Note

Thank you for your continued prayers and support of the ministries and missionaries of One-Way. Our missionaries are pressing on and doing well, and praise God, all have avoided Covid so far. We're able to do some in-person ministry-- Bible studies, home visits, preaching, and administration. Right now we are awaiting news from the local college to see how we may resume the college Bible study/fellowship group there. The nursing home ministry remains on hold, and we're not sure when that may open up. For now, we are planning for the mission trips next year. Lord willing, there will be a select team going to Guyana, South America /Trinidad, West Indies in January/February. It will be a much smaller team as we navigate leading a team during Covid times. We are also looking ahead to 2021 mission trips to the Indian Reservation and the UK (the steelpan/evangelism outreach). Seems our theme verse for this year is Proverbs 16:9 "The mind of man plans his way, But the LORD directs his steps." We will continue to move in faith and trust God to direct our steps.

Special Recognition to Barb Weiss

For the past several years Barb has been serving with One-Way in multiple capacities: assisting in administration duties, volunteering at the nursing homes, serving as the Secretary of the Board of Directors, being on the banquet committee, and participating in multiple mission trips (South Dakota Rosebud Reservation, Trinidad, West Indies, and Guyana, South America). She pours her life into serving God like few others known. Anyone who has had the privilege to serve with her knows she has a gentle spirit with a tender ear, ready to lift you in prayer to the Lord. And, she is willing to serve however and wherever the need. She truly lives Psalm 100:2 "Serve the Lord with gladness." It has been our joy to have her as part of the One-Way team. Unfortunately, with the restrictions faced due to Covid 19 and some health issues, Barb has prayerfully decided to step down from serving with One-Way. She will be greatly missed. The following pictures only capture a hint of the amazing impact Barb has over the years. We praise God for her and wish her His very best.
