December
-2020-

Season's greetings faithful friends and partners,

We've made it to the final chapter of 2020. What a year it has been, marking the 20th year of One-Way. At our banquet in February, we celebrated the great work God has done through the ministry, and we anticipated our busiest year yet. Jerry and Isaiah had just returned from an outreach/planning trip to Trinidad, West Indies, where they assembled the steelpan mission team. They made great connections in their ministry opportunities and even toured the MV Logos Hope Ship (an international Christian outreach bookstore). The stage was set for the 2020 mission trips, including the combined Trinidadian/American steelpan & evangelism outreach to England in July and August.

From our missionaries on the field, to the outreaches here in Cheyenne, to the short-term mission trips, it seemed like every ministry was poised for an amazing year. Then, Covid.

Some ministries halted, others postponed. Honestly, it's been a challenging and head-spinning year. Planning and replanning. Pressing on. New ways of ministry, and still reaching out. We praise God through it all because He is in control and we are His. I Peter 2:9 states, "But you are a chosen people, a royal priesthood, a holy nation, God's special possession, that you may declare the praises of him who called you out of darkness into his wonderful light." We are His possession and our purpose is clear--to reach the world with the Gospel.

We include in this letter another praise: we praise God for Fred Skorcz's healing and recovery from multiple heart attacks last month. It is a joy to have him back at our weekly Bible study and prayer meetings. Thank you for your prayers.

And so, as we celebrate this season of Christ's birth, let us rejoice in all that God has done. Resound those praises! May the peace of God fill your hearts with steadfast hope and contagious joy as we face the new year.

From all of us at One-Way,
wishing you and yours a
