Highlights and Reflections of 2023

Thank you for your unwavering support of the ministries and missionaries of One-Way. Your prayer and financial partnership played a vital role in making 2023 fruitful for the Kingdom. It is with joy that we reflect on some of the great things God did through One-Way in 2023.

Steelpan Ministry

The steelpan ministry team was together again in the spring with several outreaches including venues in LaGrange, WY, Laramie County Community College, and Calvary Chapel Cheyenne. The events were fun-filled with audience interaction and, of course, Gospel presentations.

2023 Steelpan Mission Team

At the end of April, we held our annual mission celebration and support banquet. Guests enjoyed sweet fellowship, fantastic food, group worship, and highlights of the great things God is doing through One-Way. Jerry Singh shared his testimony, and the steelpan mission team played some familiar songs with a Caribbean twist.

Throughout the year our local ministries continued at multiple assisted living homes, the jail, and Laramie County Community College. These are led by Fred Skorcz, Willie Gallegos, and Jerry Singh.

2023 Rosebud/SD Mission Team

Summer Mission Trips

The first of our summer mission trips was in June, serving alongside One-Way missionaries Les and Eva Olsen on the Rosebud Reservation in South Dakota. The team led a VBS for the Lakota kids who gathered daily from the nearby towns for Bible lessons and stories, singing, skits, crafts, games, and snacks. The team also visited the Rosebud Adult Correction Facility, which was the first time One-Way was able to do jail ministry there since the start of Covid in 2020. 13 inmates accepted the Lord Jesus Christ. Praise God!

2023 Trinidad Mission Team

The steelpan/evangelism mission to Trinidad, West Indies was in June/July. The Lord opened the door for One-Way to come alongside several churches and many local leaders to spread the Gospel and encourage believers. The opportunities were endless. The schedule included a nursing home, multiple orphanages, several public schools, street witnessing, and church services. They also went to a remote village on the outskirts of the island where they had kids' programs and village outreaches.

Jill and Stephen Puett

New Staff

Another highlight of 2023 was the addition of Stephen and Jill Puett to the One-Way staff. Stephen serves alongside Jerry in multiple areas, especially in missions and the local ministries. Jill helps with the college ministry and other behind-the-scenes ministries.

One-Way Retreat

In October, One-Way held our first retreat for our staff, Board, and their wives. It was a refreshing getaway filled with fellowship, worship, games, and embracing One-Way's vision for the future.

Looking Ahead: Belize Mission 2024

The Belize mission team heads out January 27 - February 6. The schedule is packed with evangelistic meetings in Seine Bight, helping a church plant in a Mayan village, kids' and teens' programs, ladies' ministries, door-to-door witnessing, and sports outreaches. Please pray for the people of Belize to be open to the Gospel, for God's provision and leading in our plans, safe travels, the health of team members, and for team unity.
