## DISCIPLESHIP BLUEPRINT FOCUS: DISCIPLE OTHERS

## **OVERVIEW**

Action Ministry is a discipleship and performance group dedicated to sharing the message of God's love through mime. Comprised of youth ages 12-18 and led by a team of adult volunteers, the Action Team devotes their time to practicing and presenting songs using mime techniques. They also engage in a weekly youth-led Bible study, growing each team member in purposeful discipleship. The team presents frequently at local youth groups, children's ministries, and various audiences.

### TIME COMMITMENT

Action Ministry meets for approximately three hours each week during the school year for practice and Bible study. Presentations usually occur monthly, and there are often social events where the team gathers to just hang out.
