

Young Marrieds Fellowship

Overview

The Young Marrieds Fellowship exists as a place where young couples can meet and build relationships with other couples in a fun and relaxing environment. The group meets monthly to share a meal, enjoy fellowship, and engage in a relevant discussion of various marital topics. The goal is that these young couples experience a deeper relationship with one another and with others. Engaged couples are encouraged to also come so that they might begin building friendships and a support system amongst their peers. Childcare is available.

If you are interested in a ministry that has the following aspects, this ministry could be your calling:

- An eagerness to meet other young married couples and build community
- A desire to have fun and enjoy fellowship
- To engage in meaningful discussion for the purposes of strengthening marriages and personal relationships with Jesus Christ

Time Commitment

The Young Marrieds Fellowship meets on the 3rd Friday of the month from 6:00-9:00 in the homes of various host couples.

To Get Involved

Check out the current church bulletin or contact the church office for the next meeting date and time for the Young Marrieds Fellowship.
