October 25, 2023

As the beauty of fall surrounds us, we want to extend our heartfelt thanks for your faithful prayer and financial support. It means so much to know you stand with us in our ministries, and your partnership encourages us beyond measure. It has been a busy month as we continue with the local ministries in Cheyenne, some travels, and planning our first retreat for One-Way's Board and staff.

Rosebud Reservation Update

Attendees receive needed items at a giving event on the Rosebud Reservation

This month we would like to highlight the Olsen's and their work on the Rosebud Indian Reservation. Les and Eva Olsen remain busy this fall with church services in Parmelee, White River, and St. Francis. Discipleship classes, Bible school, and prayer sessions also continue at the heart of their work, even through the midst of moving to a new church building. They are thankful for everyone who helped in the moving process, especially for the carpenters who completed last-minute things on the building.

Also this fall, Josh and Veronica Crawford, and their family served with the Olsen's for a week. Josh and Katelyn (their daughter) were part of One-Way's Rosebud summer mission trip. While on the mission trip, they noticed some needs of the children and adults. God moved in their hearts to return to the reservation and organize some giving events. With support from their local churches, they organized three

events with the Olsen's: two in St. Francis at Victory Thru Faith, and one in Parmelee at Chief Cornerstone. Bibles, books, winter jackets, blankets, clothing, and food were given to over 200 attendees.

Olsen's Prayer Requests:

Please keep Les and Eva in your prayers for ongoing health issues, and for the St. Francis church building project, as there are still some critical things that need to be completed. Pray also for those who attended the giving events, for a reaping of God's Word.

Steer, Inc. Annual Conference

Jerry Singh and Aaron Kor (One-Way's Board Chairman) represented One-Way at the Steer, Inc. mission conference in Bismarck, ND.

Steer, Inc. is a nonprofit organization that enables farmers and ranchers to partner with ministries like One-Way in worldwide missions. With donors to fund projects, Steer, Inc. provides unit funds to farmers and ranchers to start projects of their choice. The proceeds support missionaries/ministries designated by the farmers and ranchers.

Jerry and Aaron represent One-Way at the Steer, Inc. Conference.

Jerry with the Livingston's, ranchers with the Steer, Inc. program.

The conference was a time of celebration of the great work of worldwide missions represented by 44 missionary organizations. We are excited to be part of what God is doing around the world through Steer, Inc. If you are interested in more information or to possibly partner in this way, please contact us.

As always, thank you for praying and standing with us.

For all of us at One-Way, Kathy Singh
