Dear Friends,

Thank you for your kind support of the ministries and missionaries of One-Way. Your partnership encourages us in many ways and provides the funding needed to continue reaching others with the Gospel. Together we are making a difference here in Cheyenne, around the US, and beyond.

Some follow-up from our April prayer requests:

Praise God that Willie Gallegos' neck/spine surgery to address pain and other complications went well. Please pray for his continued recovery and that he will be able to join the steelpan mission team as the bass player this summer.

Praise God that Eva Olsen is also doing better after having a rough start to her recovery from back surgery. She is now able to get around without a wheelchair or walker and has even been able to travel. Please keep her and Les in your prayers as they prepare for the mission team to serve with them next month.

Speaking of the South Dakota/Rosebud Reservation mission trip, planning has been a bit of a rollercoaster ride this month. At one point we made the difficult decision to postpone the trip until later this summer due to high Covid numbers and concerns expressed by tribal leaders. Then God opened the door for it to proceed again in June. It has been pushed back a week and tweaked to accommodate the current situation there, but it's a go!

The local ministries in Cheyenne have been going well. The assisted living ministry has added a new location at Primrose Retirement, and there is another location in development. At this point, we need additional help. We also could use help in the college and jail ministries. If you are looking for occasions to build relationships and share your faith, these are great opportunities to consider. If you, or someone you know, may be interested in serving, please give Jerry a call at (307) 534-6751 or drop an email to onewayevangel@yahoo.com

Please continue to pray for the extensive prep and planning for the Midwest US Steelpan Evangelistic Mission (mid-July through mid-August) and the Belize, Central America Mission (September 9-20).

Once again, thank you for standing with us.

For all of us at One-Way,

Jerry & Kathy Singh
