## Pastor's Column

### **“Treasuring and Pondering”**

“Mary treasured up all these things and pondered them in her heart.” (Luke 2:19)

2025 has been a year filled with turmoil, tragedy, and trauma in our World, in our Nation, and perhaps, for some of us, in our lives. Yet, as we affirm our faith each Sunday in “God, the Father, Almighty . . . in Jesus Christ, His only Son, our Lord . . . and in the Holy Spirit” who unites God’s people as one Body throughout the world, we believe that God is at work making all things new. God gives us life and light each new day; God blesses us with countless blessings, and God promises us a future eternity of peace with Him, when there will be no more fighting, warring, weeping, or death. We have God’s assurance, “Never will I leave you; never will I forsake you” (Heb. 13:5). We are a people blessed, and we can look to the future with hope.

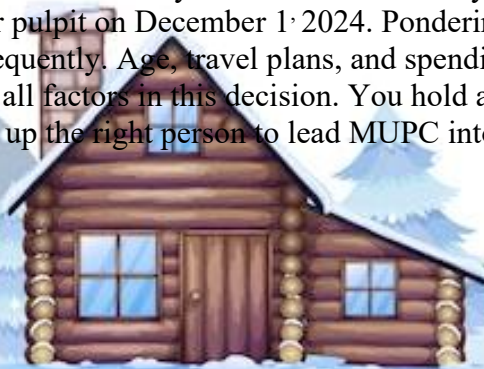

For a number of years now, as an old year passes, and a new year begins, I have found the practice of Jesus’ mother, Mary, to be helpful – treasuring and pondering. On New Year’s Eve, or on New Year’s Day, I set aside time to “treasure” – to reflect on what God has been doing in my life throughout the previous year – God’s blessings, things I’ve learned, significant experiences, etc.; and I list them under “Things I’ve Treasured.” Then I “ponder” what the New Year will look like in my life – making a list of those things I’d like to change or do differently in the New Year - new goals, new growth in my relationship with God, new experiences with family and friends. I find that it’s helpful to “take stock” of what God has been doing in my life and consider what the future might look like as I continue life’s journey.

On the night of Jesus’ birth, holding the King of Kings, and Lord of Lords in her arms, Mary “treasured up” all that God had done in her life over the past 9 months, and “pondered” the future might look like – how this child would change her life, and how he would change the world!

Take time at the beginning of this New Year to “treasure” and “ponder”!

[Pastor’s Note: One of the things I’ve “treasured” in 2025 is my relationship with all of you, my “family” at McConnellsburg United Presbyterian Church. Thank you so much for your love and support since I began supplying your pulpit on December 1<sup>st</sup> 2024. Pondering the year ahead, I will continue to fill your pulpit, but not as frequently. Age, travel plans, and spending time with family (not to mention the distance between us) are all factors in this decision. You hold a special place in my heart, and I pray daily that the Lord will raise up the right person to lead MUPC into God’s future.]
