A New Way to Participate in the Offering

If you give online but would still like to participate during the offering time, you may pick up one of our "I cheerfully gave online this week" envelopes at Info Central and place it in the offering plate as it is passed.

It's a small action, but one that allows us to worship together—offering gratitude to God and participating fully in the worship moment.

However you choose to give, thank you for being part of the worship and mission of Trinity.
