

TRINITY
CHURCH OF THE NAZARENE

NEWSLETTER

Church family, in this season of Advent, I'm reminded once again of who our God is. Christ is Emmanuel, God with us!

Whether you find yourself in a season of exhaustion, grief, or celebration may you be reminded in this Advent season that you are not alone. The one who created you dwells with you and among you, He will never leave you or forsake you.

May our hearts be full of joy, gratitude, and generosity as we remember that our God is with us!

Merry Christmas everyone!

CHRISTIAN SEXUALITY: Raising Kids

Questions about sex, sexuality, marriage and gender have become some of the most pressing questions facing Christians today. And if you are raising children, it is your job to disciple your kids in these crucial topics. But how?

Join us on Wednesday nights, beginning January 14th, 6:45-8:00 pm, for an 8-week video-based course designed to help you guide your children (12 and under) through these conversations.
