

Dear church family,

As I have been listening to Christmas music this season, I have been struck by the number of songs that speak of God reaching out to us. What a glorious thought that we have a God who actively reaches towards us! He chose, and still chooses, to enter our world of with the promise of Hope, Peace, Joy, and Love; the very things our world desperately needs.

May we reach out to one another this season, offering that same Hope, Peace, Joy, and Love that is found only in Christ, our Savior.

CHRISTIAN SEXUALITY: Raising Kids

Join us on Wednesday nights, beginning January 14th, 6:45-8:00 pm, for an 8-week video-based course designed to help you guide your children (12 and under) through these conversations.
