SERVE

Our mission calls us to Serve. We serve God; we serve our fellow brothers and sisters in Christ; we serve those outside of Christ's Church. In John 13, Jesus modeled for His disciples (and for us) the centrality of this aspect of our calling as God's children. Even though Jesus is God, Master of all, He took the form of the lowliest of servants by washing His disciples' feet. This passage reveals to us the importance of setting our own comforts and pleasures aside in order to bless those around us. In serving, we graciously help our fallen world stand up again.

Beyond Our Walls

The family at Glenwood searches out ways to serve our community. We want to help fallen people stand up again. The Beyond Our Walls ministries are not *programs* run by the church. They are people helping people by feeding the hungry, caring for the homeless, visiting the sick, and improving neighborhoods in Tyler. If you can cook food, swing a hammer, wash dishes, sit by a bedside, use a paint brush, talk to people in need, make a phone call, mend clothes, or just spend time with others, then you are qualified to serve! There are many opportunities in various parts of town where you can go beyond the walls of the church and "be Jesus" in our fallen world. Join us in our great adventure!
