

Serve the world at the beach!

Ocean City stretches along 10 miles of beautiful sandy beach on the Atlantic Ocean. Ocean City Baptist Church is located in the heart of the town, just one block off the beach. God has placed us in a strategic location to reach out to both the local community and thousands of visitors who travel here each year. Some come to the beach for vacation, some for work and others for a cross cultural experience. We invite you to join us in sharing the good news of Jesus Christ in this resort community.

Our summer intern program is designed to help young adults stretch their faith, grow in their ability to share the gospel and lead others in doing the same. We have a unique and exciting opportunity to serve a diverse group of people. Many visitors come to the beach seeking a change of pace or scenery. Our desire is to introduce them to the One who changes hearts!

We embrace the recreational focus of the resort community by hosting sports camps for children, surf lessons, Vacation Bible School and sports on the beach. Thousands of young adults from around the world also come to Ocean City for summer employment through a cultural exchange program. We offer meals, Conversational English classes and a variety of fun activities for them in their free time.

This is a huge task for a small congregation! OCBC works in partnership with the Baptist Convention of Maryland/Delaware and the Eastern Baptist Association to serve the resort community. Summer interns who come to serve alongside our members in sharing the love of Christ are a great asset to this mission. We invite you to join us in this exciting opportunity!
