Good Morning FaithCov, and Happy Thursday to you.

We hope that you are doing well, and that Summer is treating you well so far. There are a few things that we need to tell you about upcoming events; so, get out your calendars and let's get to this!

For those of us who have been around for a while, we know that this is the time of year when we all band together to put together Adventure Week—our original VBS Musical. And while we don't like to keep banging on about it, we do still have some needs.

We are still short some volunteers. It seems like such a little thing, but the little things are so important. Please consider volunteering to help out this year—**You can sign up via our website (faithcov.net), or you can contact Kathy McIntyre or Amanda Robinson if you have any questions.**

If you can't volunteer during the week of, but are interested in helping make AW a great week for the all the kids—You're in luck! There are a few workdays coming up to help turn FaithCov into a surfer's paradise! **On June 15 from 9-12, and Jun 16 right after our Worship service,** we will band together and hang ten, do a backside kickflip, carve down the face into the Atlantic Hop and jelly roll into shore (or at least, we'll decorate—whichever is more appropriate).

We know that it can be a bit scary to talk to your neighbors about inviting their children to come to AW; it means coming out of our shells and talking about real things. However, as Tim Pryor reminded us this past Sunday, this simple act can change lives. AW has eternal implications that are hard to articulate or foresee. Please invite your kid's friends, your neighborhood children, and other kids you might know to join with us for this epic week of fun, music, games, and more. **You can register your (or other) kids on our website under the button marked Adventure Week Kids' Registration.**

On the Thursday during Adventure Week (June 20), we will be holding our Free Community Dinner. This Sunday, we will have volunteer sign-up sheets available in the Welcome Center. This will also be the night of the AW Family night, so it would be a great night to invite people to come and enjoy the whole program. We will be having a beachside cookout with hot dogs, baked beans, and all the stuff you'd expect for a beach party.

In non-AW news, we would like to ask for volunteers to help pick up the Panera donations on Thursday evenings. We are looking for a few volunteers to go on a rotation to pick up the donated bakery items, bagels, and bread at 9.00p on Thursday evenings. You wouldn't need to do it every week, if we get enough volunteers, we can schedule it for only a few times, or even once, a month. Please contact Brenda Borders in the office if you would like to help.

Beginning on July 7, our Summer Adult Discipleship classes will start up again. This Summer we will be studying James (in the Fellowship Hall) and Prayer (in the Prayer Room). Both of these options will be wonderful ways to help deepen our knowledge and faith as we turn to the Word to hear what God has to say about them. For more information, please go to faithcov.net under the Adult ministries tab in the drop-down menu at the top of the home page.

Please join with us this Sunday as Pastor Tim continues our series Awesome Faith with a look at Luke 8. 26-39 in a message titled Revealing Faith.

Be God's.
