2021 BIBLE READING PLAN

Join with us in reading the Bible this year. This plan will take us through 260 Foundational Scriptures (reading only 5 days per week). Each week there are memory verses (in bold) to reflect upon as well.

Keep in mind, this is not an exercise in accomplishment (so that you can say you did it), but a habit that opens us up to hearing God's voice and knowing God's heart. Remember to open and close your reading with prayer – praying that the Spirit will speak to you as you read. You could also consider having a pen and paper nearby to write some thoughts about your reading each day. Here are some questions to think about:

- What does this say about God?
- What does this say about humans?
- How does this apply to my life?

If you miss your time of reading, DON'T GIVE UP. Try partnering up with someone to encourage you, reading along with them or meeting to discuss what you are learning. May God bless you in the reading of his Word!
