

MADLINE GEORGE

GARDEN DESIGN NURSERY

The unique and naturally beautiful spaces of our nursery can accommodate a wide variety of events to meet your individual needs. From simple and organic to lush and festive, enjoy that celebratory feeling while being surrounded by all the beauty our setting has to offer!

We are a working nursery and retail shop and therefore have some limitations. Our event plan guidelines below together with our nursery event map have been designed to assist you in planning your event and forming a budget.

Large Scale Events

This format is intended to accommodate large events such as Wedding Ceremonies and Receptions, Company Parties, Cocktail Parties, Wine Tastings, Soirées and Open-houses.

- Up to 100 people between nursery closing time and 10pm. The nursery closes at 6pm in April, May, and June and at 5pm all other months of the year. An early close can be accommodated at certain times of the year for an additional fee. The event timeframe includes setup and takedown.
- Base event fee is \$2,000 and includes use of the Potting Bench and Bar/Lounge area for food and beverages, parking attendant, restroom and trash removal. Additional areas are available for a fee. See options below.
- Events can be self-catered or catered. Beer, wine and champagne are allowed with event insurance. Hard alcohol requires a licensed bartender.
- Event host must provide tables, chairs, and decorations. Events with 60 or more people require the event host to provide a porta-potty.
- All cars are to be removed at the end of the event.

Event Area Options

- | | |
|----------------------------|----------------------------------|
