

**5 Spiritual Habits That
Will Change Your Life**
Week 5: Share Jesus
DISCUSSION QUESTIONS

RECAP

In this final sermon on spiritual habits, Josh looks at a better way to share Jesus.

DISCUSSION QUESTIONS

1. Spend a moment and review the first four habits: Consume the Word, Pray Continually, Walk in the Spirit, Love Others Sacrificially. How have you been practicing those four habits over the past few weeks? Did you have an opportunity to love someone sacrificially this week?
2. Josh shared 5 Types of Awkward Evangelism. Have you ever experienced any of these? What other awkward experiences would you add to this list?
 - The Truth Bomber
 - The Passive-Aggressive
 - The Pick-up Artist
 - The Stalker
 - The Two-Wheeler
3. This week's habit is Share Jesus. Talk about the people in your life that intentionally shared Jesus with you and the difference it made in your life.
4. Josh looked at three specific rewards that come when Share Jesus. Discuss these and describe how you've seen them play out in your life: your faith grows (short-term), joy (short-term), people go to heaven (long-term).
5. Josh shared three additional cues to help you pick up on when others may be open to an invitation from church. Discuss how these three Nots have played themselves in your life and discuss anyone you might currently know that's experiencing one of these three Nots:
 - Not going to church
 - Not going well
 - Not prepared for
