Week 5: How to Stop a Miracle DISCUSSION QUESTIONS

RECAP

In this final sermon on how to experience the miraculous today, Josh talked about how churches and religious leaders can actually stop the miracles that God wants to do in our midst. The quickest way to stop a miracle is to try and control it.

MTVGROUP QUESTIONS

1. Josh started by talking about his past growing up in church and how some churches he was a part of tried to stop the miracle God was working. What's your church background? What do you remember God doing in your midst as a church? Did the church ever try and stop what God was doing?
2. Josh talked about why some religious and church leaders try and stop the miracles of God: control. Have you ever had control issues with God? Talk about a time when you tried to control what God could and couldn't do in your life. What was the result?
3. Read Acts 15:1. Some religious leaders weren't comfortable with the new people flooding into the church because they didn't look, act and talk like them. Does that still happen today? Why is that? Have you or someone you know ever experienced a negative reception at church because they didn't look or act 'churchy' enough?
4. Josh leveraged the four keys to experiencing the miraculous and talked about how they play out at MTVchurch. Discuss the four keys specifically and how you can participate in each one:
 - BELIEVE the miracle - We invite everyone.
 - EXPECT the miracle - Assume they're in the room.
 - PRAY the miracle - Win the war in the spiritual.
 - BE the miracle - Team MTV and Project HOPE.
