ABOUT MTVCHURCH

The driving passion of MTVchurch is creating contagious communities of hope. We do that on a practical level by helping people:

- **Know God** through worship services
- **Find freedom** through small groups (MTVgroups)
- **Discover purpose** through our four week Next Steps Track
- **Make a difference** through serving in our church (Team MTV) and in our community (Project Hope)

MTVchurch is a growing and thriving church, dedicated to employing creative ministry methods to reach people for Jesus. If you want a quiet and predictable ministry, this job isn't for you. If your greatest passion is to solely disciple a small group of students through in-depth Bible study, this job isn't for you. If you can't relate to or empathize with people outside the church, this job isn't for you. And if you're not a hard worker or self-starter, then this job is definitely not for you.

If you want to be on the front lines of reaching students, if you want to partner with a church that is youth-friendly and family-focused, if you want to work alongside other passionate believers dedicated to doing whatever it takes to reach the least and the lost, then come on!
