Sent Partners

Three Strands is a medical mission providing compassionate, Christ-centered healthcare to underserved communities in Haiti and the Central African Republic, making quality medical care accessible to all. **Pray** for the worsening economic conditions in both Haiti and the CAR, and for endurance for our brothers and sisters serving amid these difficult circumstances. **Pray** for the Three Strands medical team traveling later this month as they work to launch a new remote clinic in Haiti. Most of all, **pray** that the hope of Jesus Christ would reach the hearts of patients seeking both physical and spiritual healing.
