

Dear Parent or Guardian,

Soccer Shots will be starting a season at Liberty Heights Preschool this school year. We are very excited to be bringing back our national soccer program to your preschool!

What is Soccer Shots? Soccer Shots is an elective program being offered at Liberty Heights Preschool this school year. Each session is an hour long, which includes 30-40 minutes of soccer instruction. The objective of Soccer Shots is to introduce your child to soccer – the world's most popular sport. In addition to learning soccer, your child will be encouraged in group and team play fundamentals, active lifestyle habits, strong character skills, and more.

Soccer Shots sessions are led by highly skilled soccer instructors who will ooze soccer enthusiasm onto your kids. Our goal is for Soccer Shots to become the highlight of your child's week! Join hundreds of others in the country who already enjoy this fantastic program.

This once per week program from noon-1:00pm will be offered on TUESDAYS and WEDNESDAYS. (This will extend your child's school day by one hour on Tuesdays or Wednesdays during the 6 weeks of Soccer Shots.) You will need to pack an additional peanut-free snack and water for your child on Soccer Shots days. **The cost is \$65 and will run for 6 weeks.** We will have only two 6-week sessions this school year, one in the fall (August 29 & 30-October 3 & 4) and one in the spring (April 3 & 4 – May 8 & 9) and will be held outdoors. If inclement weather requires Soccer Shots to be cancelled, the cancellation will be made an hour or more before Soccer Shots is scheduled to start and parents of students participating will be notified by phone. Make up sessions will be scheduled for classes that are missed due to inclement weather. Soccer Shots is open to all students who are enrolled in a 3's, 4's, or PreK class at Liberty Heights Preschool for the 2017-2018 school year. Registration is first come, first served.
