

To All:

As time passes, more and more people seem to be receiving COVID-19 vaccines.

As someone asked, "Now what, since I have had both vaccines?"

That seems to be a logical question, and for some answers, click the link below.

<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/faq.html>

If any further questions come to mind, please let me know.

Respectfully,

Ernie Lombard, RN
Parish Nurse
