

How to access your 2017 giving statement

Click on the link **“click here.”**

This will direct you to the donation page.

Select the **login** icon on the top left of the page.

Type in your email address and select the **“send me a login link.”** You must select this even if you have a giving account set up. It is for security purposes.

- Donations are recorded under the head of your household for couples. Use their email address to log in.
- Check your email inbox for the login link. The link expires after 30 minutes. If your link expires you must start the process over.

Check your inbox.

Select the **“log in now”** icon.

You will automatically be directed to your info and giving information.

Scroll to the bottom of the screen.

From there you can view your donation history by year or access the statement.

You can download, save, and print your statements from this page.

Please review your statement and let our church office know if there is an error or if you have any questions.

If you do not have a current email address with our church database, please call 928-774-8091, or email grace@allaboutgrace.com, and let us know. We will be able to create a copy of your giving statement and mail it to your physical address.
