

Grace Group Discussion  
Take Time to Pray  
Luke 11:1-13

1. Who taught you how to pray? Who was your example?
2. Why is prayer NOT more automatic for all Christians? Why do we need to be encouraged?
3. How are you encouraged, or reminded to pray?
4. What reasons for prayer do you find in our text?
5. Who can call God, Father? READ Gal 4:1-7 and Rom 8:14-17
6. What does it mean to say, "Your kingdom come"?  
How is the kingdom "here but not yet"?
7. How does this affect our prayer?
8. What does it mean to keep on asking, seeking, knocking?  
How do you pray like this?
9. Share a time you saw a long-standing persistent prayer answered? You can encourage others in your group that are still ASKING.
10. What are some ways you've learned to pray?

Pray for one another and for your church family as we lean into our relationship with God and ask for His favor on the work He is doing all around us.
