

## “Take Time to Listen”

Luke 10:38-42

March 3, 2019

- 
1. Throughout Luke 10, when Jesus teaches, he teaches for correction. How is this a picture of grace? See 2 Tim 3:16-17 and Rom 15:4
  2. Why did Martha busy herself with serving?

Describe Martha.

Describe Mary.

3. What drives us to sometimes get too busy? How does that usually play out for you?
4. What was Jesus' response to Martha and how is Jesus' response helpful to us?

**Remember: This is about the priority of listening to Jesus, now through His Word, as a foundation to a life of serving.**

5. Do we find value when we know we're contributing? How can this be helpful? How can this be dangerous? How do we see "performance" for God?
6. What comes to your mind when you first think of God?
7. How can we have a better picture of God when we first think of Him?
8. Is listening hard for you? Whether to Jesus, or your family, your employer? How can that be improved?

Pray for one another, as we learn to listen to Christ as the foundation for serving Him!
