

“The End.”

Daniel 12

March 11, 2018

The end of the prophecy is really just the beginning!

As we finish our study in Daniel, share some of the things you've learned through the past 12 chapters.

1. What did you learn of Daniel's prayers? (look up and review the passages)
 - How does that motivate us in our time with God?
2. What did you learn about Daniel's reading of the Scriptures? (Jeremiah!)
 - How are you encouraged to read your Bible?
3. What did you learn about Daniel's engagement with his culture?
 - How do we do engaging with our culture?
4. What are the benefits of understanding prophecy?
5. Are we to fear the Tribulation? Why or why not? Dan 11:36-12:3
6. What do we know of the Lamb's Book of Life?
 - Malachi 3:16-18

- Luke 10:20
- Rev 13:8, 17:8, 20:12, 15; 21:27

7. How do you know if your name is in the Book of Life?

As you pray for one another, let's join together as a church and begin to pray earnestly for Easter Sunday, April 1. This is actually a huge opportunity for us to welcome and connect with guests.

- Every lost person needs Christ
- Every Christian needs a church home
- What can we do to help them?
