

“Come and See”

Resurrection Sunday

1. Talk about any highlights from Sunday. What blessed you? What was the day like for you?
 2. Come and See: Did you meet any guests? Did you have a guest with you? What can you tell us about those you met, or those that came with you, any observations?

Take some time and prayerfully thank God for His blessing on Grace and other churches in Flagstaff. We are part of a larger community and we love to see God's work going forward.

3. The gospel changes us. To deny it's power is to not know the gospel. Jesus rose from the grave. We too have life because He's Alive! How have you seen the gospel change you since the time you trusted Christ as Lord and Savior?

Read: John 4:25-42

4. When the gospel changes a person it's hard to not tell others. How do you think it went when the woman told her friends about Jesus? What obstacles do you think she had to overcome?
5. What are some of the obstacles we have in telling others about the ONE who changed our life? What can we do about those challenges?

6. How did God use her testimony?

As we end in prayer, let's again be thankful for the many people that heard the gospel at Grace and many other great churches. Let's also ask God to help each of us continue to be changed by the gospel as we draw closer to Christ.

Special Note from Pastor Mark: Thanks to so many people who serve faithfully at Grace and for those that gave extra this past week to allow us to minister to so many others. God is using you and I'm thrilled to come alongside and cheer you on! I love doing ministry with you. Let's keep it going!
