

## **“Let’s Give Thanks!”**

Selected Scripture

November 18, 2018

---

Thanksgiving!

1. Talk a little about your plans this week. Share ideas on traditions, foods, people you’ll be with, what you’re looking forward to!

Thanksgiving is a great week to practice giving thanks. To be known for our gratitude. Perhaps this week we practice.

2. Can you say “thank you” too much? When do we normally say “thanks” to someone? What are some other opportunities in our normal week where we could practice gratitude?
3. Think of someone who is appreciative. What are some other characteristics you notice about them? Both in giving and receiving, how does being grateful affect us?
4. In 1 Chronicles 16, David gives the Lord thanks in front of the congregation. What are the ways he thanks the Lord? What are some of the truths he is teaching the people in this prayer?
5. What are some of the challenges you face in being grateful? What are some ways you can practice this week to say, “thank you”?
