

“Overcoming Lions”

Daniel 6

December 3, 2017

How are you known?

1. How important is it that you have a good testimony? What makes up a good, real-life testimony?

Consider Daniel's testimony!

READ: Daniel 6:1-5

2. What does it mean that Daniel had an excellent spirit was in him.
3. What does it mean “but they could find no ground for complaint or any fault, because he was faithful, and no error or fault was found in him?”
4. How could that look today, in our world, where you work and live?
5. Daniel was close to 80 in this chapter. Why do we think life should get easier for us as Christians the longer we live? In what sense does it get easier?
6. Have you encountered greater challenges the longer you follow Christ? Anyone want to share an example of how your faith is stretched the longer you know God?

7. Why did the others want to discredit Daniel? Why did God allow this to happen?
8. Have you seen unfair treatment and wondered why God would allow you to go through something so unfair? How do you see that now?
9. How important is prayer to your life? To the life of our church?
10. How will Phil 4:6-7 carry you through the difficult times? Any examples?
11. Why is prayer so important in the Believer's life? What is God's desire as we pray?
12. How did God receive glory through this amazing story?

As we pray for one another, let's ask God to receive glory in the trials and that He would grow our faith in these challenges.
