Selected Scriptures

Happy New Year!

1. Take some time to share experiences of the past couple of weeks. Highs and lows and anything in between.

Take some time and review these scriptures in Psalm 119:11, 97, 105. Also read Ps 19:14 and Ps 42:1.

2. How do these verses encourage you to read your Bible? What are the obstacles you find when attempting to spend time with God on a regular basis?
3. What value do you find in spending time with the Lord?
4. What are some ideas you could share with the group on how to carve out a time?
5. What's the best way to help your kids in their walk with God? What are some ideas you've used or seen used in the past? Why is this so important? How does Eph 6:1, 4 help?

6. When you think of giving to serve our community, what are some things you think of? Discuss the pros and cons of how we can serve our community. Let's think about how we can be proactive!
  
7. What image comes to your mind when you think of going to be a missionary? How can we each participate in the "pray, give, go" of missions?.
