

Behold, children are a heritage from the Lord...

KARAR MINISTRIES

JUNE 2019

OUR LOVE FOR THE NEEDY ONCE...

They come from a tribal background. We love them because they are very poor and in a great need and we are serving them through a local church.

There are millions of children who are in need. It is our joy to serve some of these kids with the love of our Lord Jesus. They have several needs. We are prayerfully helping them with some food items, clothes and to some (orphan) school tuition fees.

"Time spent ministering to a child is never time wasted".

If I could relive my life, I would devote my entire ministry to reaching children for God.
D.L. Moody.

Their joy is our smile...

Sometimes we even can't imagine what difference makes it to their lives when some small gifts are given to them with your love and blessings.

We bring them together in a church or a place and we do singing, prayers and Bible story telling, they love it. Our children love dancing as well, so we do dance with them.

Our team prepares good food for them, too. They enjoy the food and we see joy in their faces and that gives us smiles, too.

Its our small work, but we see a good impact in these children, that is one of the reasons why we love doing something for these needy once. We share the love of God and the gospel to them and that is our primary goal for serving these Children In Crises.

“Everyone talks about leaving a better planet for our children. Lets leave better children for our planet.”

“Little feet will one day make big footprint”
