

# Nelson and Maryanne Deshotel Thailand Update February 2016

**Greetings in Jesus' Name from supercool Bangkok!**

God's richest blessings to you and your family for 2016 and a Happy Chinese/Korean/Vietnam/Japan New Year!...Here is some of what the Lord has been doing lately with us here in Bangkok.

Recent Leadership Training Week with YWAM International Director Lynn Green. Theme for the week was INTEGRITY! Great hearing from and being encouraged by Lynn's life and testimonies of faithful God.

**Preaching on all 14 floors of Thailand's most prestigious hospital- PRAISE GOD THEY KNOW**

**CHULALONGKORN HOSPITAL ICU PRAYERS**

**PREACH GOOD NEWS!** Testifying to elderly Thais at Pathumthani Hospital, where afterwards we prayed for the sick and many reported healings.

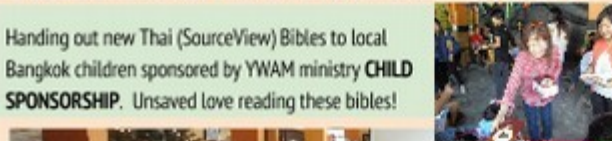

Then he said to them, "You must go out to the whole world and proclaim the Gospel to every creature. He who believes it and is baptised will be saved, but he who disbelieves it will be condemned. These signs will follow those who do believe: they will drive out evil spirits in my name; they will speak with new tongues; they will pick up snakes, and if they drink anything poisonous it will do them no harm; they will lay their hands upon the sick and they will recover.... They went out and preached everywhere. The Lord worked with them, confirming their message by the signs that followed. Mark 16:16-20 (PHILLIPS)

Most of our sponsored children in Bangkok came for this party to celebrate Jesus' birthday.

**"REMEMBER THE POOR!"** Serving CHRISTmas Dinner to 300 elderly served by Ruth Center, a YWAM outreach to poor neglected slum dwellers.

Handing out new Thai (SourceView) Bibles to local Bangkok children sponsored by YWAM ministry **CHILD SPONSORSHIP**. Unsaved love reading these bibles!

**preaching good news to children**

**PLANTING "SEEDS" (The Seed is the WORD!):** Singing CHRISTmas carols on every floor of King Chulalongkorn hospital, escorted from floor2 floor by 3 doctors who also took opportunity to give their door-opening testimonies. Pray for the sick, Preach the Good News! Freely you have received, freely give

Hours of practice for a 5 minute dance to bless so many

Went to pray for more people at the hospital in January. We were allowed to go everywhere there were patients (even ICU) and to pray as long as we wanted. Many people were touched and healed or reported improvement in their condition. Jesus says HEAL THE SICK and PREACH THE GOSPEL TO THE POOR.

Maryanne got to preach to about 1700 students at this High school north of Bangkok. It was an exciting Christmas Day treat. We also passed out 1700 bibles! We had a one hour program that we expanded to 2 hours 20 minutes. We also were able to bless an elementary school with the Good News. Thailand is progressively more open to hearing the Gospel, praise God!

Latvia DTS also helped us to distribute the Bibles while our students danced to the Lord!

This "girl" is a boy who prayed to receive Jesus!
