

HOSPITALITY

Join our Hospitality Team. You are one of the first contacts to new people to our church. Help us welcome people coming to the church by setting up a warm and inviting atmosphere. Each week we put out coffee and refreshments that encourages people to hangout and socialize.

USHERING

A church usher is a person who helps ensure a smoothly running church service and who ministers to people in a variety of practical ways. As the churchgoers arrive, the ushers will act as doorkeepers, greeting each person with a smile, shaking hands, handing out bulletins, assisting people with special needs, and collecting the offering and sharing communion. Ushers stand ready to assist anyone in the congregation who might need help, to aid latecomers in finding a seat, and to inform those in the sanctuary of any urgent matters. Church ushers are well versed in emergency procedures. In case of an emergency, the ushers will take the lead in getting people to safety in an orderly manner.

KIDS MINISTRY

Newborn through 5th grade. Our classes are broken down by age so each child can learn at their own level. VCF is blessed with amazing godly leaders who provide excellence in sharing God's love and truth. Teachers often teach once a month (or more if you would like), and the curriculum is provided for you.

YOUTH MINISTRY

We exist to help every student in the Santa Ynez Valley become a LIFE LONG follower of Jesus. Volunteers are needed to help lead small groups during Sunday Youth Group and Life Group Leaders that meet during the week, outside of Sunday programming.

WORSHIP MINISTRY

Worship is a pretty big deal for us. because of the connection it gives us to our good and beautiful God. Sometimes the music is fast and loud, other times is quiet and meditative. Regardless of the week's style, every Sunday you can expect to raise your voice and heart to the living God. Do you sing, play an instrument, know how to work the sound board? This could be the place for you.

GREETING TEAM

Join our Greeting Team. Help us put our best foot forward and ensure every person who comes to our church feels welcomed, loved and a part of our Church Family. Our church greeters are often the first person a visitor to a church will meet. Just like in the building of all relationships, the first impression a greeter makes has an impact on the perception of a church. Church greeters, like ushers, assist church attenders. Often when a family with young children arrives for the first time, a greeter can show them to the Children Ministry Area, show them where the cry room is and extend a hand of friendship and love to the visitor.

WELCOME TEAM

Members of the Welcome Team are available to answer questions about the service. Your primary role is to help new guests with information about different happenings in the church and about the different programs. You help establish a warm, welcome, friendly feeling for strangers.

SAFETY TEAM

The general duties of the safety team are to create and maintain a high level of awareness of safety for our congregation. Safety Team members are always on duty in parking lot and courtyard during the Church Service. Consider joining the team.

CARE TEAM

Join our care team! Our goal is to make life better for those hurting or have experienced a loss in their time of need and to truly be the "hands and feet" of God by actively serving with purpose. Some ways we help: send cards, hospital or home visits, arrange for someone to help with cleaning a persons house or yard maintenance, drive someone to a doctors appointment, etc.

SOCIAL ACTIVITIES

Join our team and plan fun ways for our church members to get together and get to know each other better. The Social Team plans events, recruits people to help with events, and set-up and run events. Events include fun things like carnivals, baptisms, pot-lucks, game nights, and worship nights.

MEAL MINISTRY

The meals ministry is an excellent way to serve others, share Jesus, and make a difference in someone's life. The purpose is to help someone in need by providing a ready made meal. In times of need, it is an incredible blessing to see a friendly face and receive a meal. We serve families and individuals in times of need, after the birth of a baby, after surgery or hospitalization, during times of crisis.
