## PRAY FOR THE PERSECUTED CHURCH

These are the places where you could be arrested for possessing a Bible. Where you may go to your local church one day to find that it's been closed by the government. Where you might be denied a job, or your children might be denied education, because you have a 'Christian' name. These are the top 50 places where faith in Jesus costs the most.

**Everyday 11 people are killed for their faith in Jesus.**

In the name of social justice, many unbiblical agendas are being advanced under the guise of honoring and protecting women, promoting racial reconciliation, and showing love and compassion to people experiencing sexual dysphoria. ***By What Standard? God's World, God's Rules*** is a documentary that presses those questions by showing how godless ideologies are influencing evangelical thought and life.
