Over the Fourth of July weekend, flash floods devastated areas of Texas, including Kerr County, Texas. The reported death toll tragically has risen to more than 100 lives lost, including children, in the flash flooding. In response to this catastrophe, Oklahoma Baptist Disaster Relief (DR) volunteers will be helping in the aftermath of the flooding. A recovery and mud-out team will soon be serving the San Saba community.

Oklahoma Baptist DR requests continued prayers for all those affected by the devastating floods and for the response teams as they seek to bring hope and help in this tragic situation.
