

# The Foundation of a Godly Life

Acts 17:1-9; 1 Thessalonians 1:1-3

Today we begin a new series through the first letter to the Thessalonians called “Living with a View to the Future” because we are going to see how having a correct view of the return of Jesus Christ will affect the way we live life now. We will see how the church in Thessalonica built upon the foundation of their belief and lived in response to that belief so we too can live godly lives to the full.
