March's Mission Focus:
Easter Offering & World Evangelism Fund

This month, NMI would like to draw your attention to the World Evangelism Fund. Unlike the Alabaster Fund whose money goes directly to buildings, WEF is an investment in *people*. This funding is seen in different ways from new churches and ministry outposts, to Christian literature, to partnering with ministries such as JESUS Film Harvest Partners, Nazarene Compassionate Ministries, and more. Consider this month ways you can support this ministry not just financially, but also prayerfully.
