NAZARENE MISSIONS INTERNATIONAL

November's Mission Focus: World Evangelism Fund

The **World Evangelism Fund** goes directly toward accomplishing the mission of the Church of the Nazarene — to make Christlike disciples in the nations. Through the **World Evangelism Fund** missionaries receive a regular paycheck, freeing them from the added worry of raising finances. Missionaries still write letters and conduct deputation services to inform people of happenings in their field of service; however, such activities do not consume a large portion of their time on the mission field. **World Evangelism Fund** is the funding that operates the Church of the Nazarene and its entire mission effort around the world. Offerings received each year in March and November, and also through *Faith Promise* giving, continue to be a **vital system of missional support!**

- Our 2026 ARO Mission Trip has been scheduled for April 11th-17th. More information will be coming out next week. Please be in prayer about this upcoming trip, if the Lord leads you in this direction—sign-ups will be out next week!
