

Overseas Mission Updates:

Guatemala

As each year passes, we (the Hurley's) become more aware of how blessed we are as a family. We also realize, more and more, that we are blessed not to consume – but to turn around and bless other people and other families. In fact, one of our big goals this year as a family is to Be Generous with Our Time, Talent and Treasure.

So, this summer we are making another annual trip to Guatemala to work alongside a family as we build their home. We want to help empower a family in deep need so they, too (like us), can have a sink with running water, a toilet to flush, a shower to rinse off in at night, and a roof over their heads. In addition to building the actual home, we are trying to build the expansion of the Love of Jesus, and the Good News, while we are on site – both with the other people we are working with, and the people we are building the home for.

As volunteers with HOPE'S IN, we are committed to raise part of the cost of the home we will be building. We are hoping to raise \$9,000 with the help of our friends. Anything above and beyond will help offset the costs of our volunteer fees for security, translators and supporting Potters House. It often takes families multiple generations to save money for a cinderblock home. This home provides dignity, security, and protection for an amazing family in Guatemala City. Thank you for your support!

North Africa

Last July, we had the privilege to hear Sydney discuss her work. It is very difficult and often unsafe. Hopefully, when she returns again we can have her provide an update. Please pray for Sydney to have God's strength and direction.

Tanzania - Neema House

Since 2014, Cheryl McFaddin has been the Executive Director, and Lucas Matumba has been the Assistant Director since 2021.

Chicken Egg Sustainability Project

All profits from this project will go directly into assisting with the operational costs of Neema House Tanzania. Though it will not ever fully fund operations, it will help offset costs and relieve some of the fundraising burden. We will have the ability to scale up the project, also, if it seems viable. Last year, funds were available to build a wall around the property, so that project was completed in October. Good news! Recently all of the funds needed for the project became available. Construction will start soon.

Continue to pray for the work that the Fernandina Beach church supports to spread the good news that Jesus is Savior!

- Dub Scroggin: Jeff's brother is struggling with COPD.
- Scott & Cheryl McFaddin: missionaries
- Karilyn Holden's cousin, Jesse Schneider, cancer is slowing down.

- Please remember our missionaries. There are many places around the world that are experiencing very difficult economic and political unrest. Pray that the missionaries stay safe and that the good news of Jesus continues to be spread.
