

Sunday Morning Sermon
9:30am Worship Center

A large, dark, 3D cross stands prominently against a dramatic, cloudy sky. The cross is constructed from thick, rectangular beams, giving it a substantial, three-dimensional appearance. The sky is filled with soft, white clouds, creating a high-contrast background for the dark cross. The perspective is from a low angle, looking up at the cross, which emphasizes its height and significance.

- Sue Moore, Gaye Adams Sister-in-law is in bad health.
- Scott & Cheryl McFaddin: missionaries
