

Has God given you the gift/calling/
passion of intercession? We want to
serve you by giving you the opportunity
to pray with us. Our work is dependent on
God answering prayers.

If you abide in me,
and my words abide in you,
ask whatever you wish,
and it will be done for you.

By this my Father is
glorified, that you bear
much fruit and so prove
to be my disciples.

John 15:7-8

Thank you for praying!

BEE World Prayer Guide

The effective prayer of a righteous person can accomplish much. James 5:16

Here are some specific things to pray for:

Students in BEE World courses would:

Philippians 4:19

Receive their workbooks in a timely manner, and for the printing of those materials to be accessible and affordable.

Have time to complete the preparatory work before training begins.

Arrive safely at the training site. (Motivated students sometimes cross country borders, travel long distances by limited transportation or even by foot to take this training.)

Be able to afford the training. (A very modest fee usually less than actual cost of materials is charged which then helps develop materials to start their 2nd generation groups. It also begins to model good stewardship.)

Have clarity of thought and ability to engage. (Many students work other jobs as their small congregations are unable to support them financially. Because of this, some students have had very little sleep but are still highly motivated to attend training!)

Be transformed by Bible truths. (Facilitators encourage students to apply biblical truths as they learn.)

Receive Godly wisdom about whom to invite for their 2nd generation training groups, and that these groups would begin.

Missionaries who facilitate BEE World courses would have:

2 Timothy 3:16-17

Quality time to prepare lessons before they travel.

Safe and smooth connections in travel, and for their luggage to arrive with them. (Places where training occurs can be remote, transportation can be limited or unreliable.)

Strong health. Facilitators are sometimes sensitive to local foods and vulnerable to tropical diseases.

Protection from harm.

Adequate funding personally and for their ministry work.

God raise up more missionary workers who have a passion to help pastors and church leaders become biblically proficient. BEE World has more requests for training than workers.

Meaningful, encouraging relationships will develop between staff, translators, and national students.

Training to reproduce faithful men and women who will train others. Pray for:

2 Timothy 2:2

Political stability in areas where training occurs.

Choice of the correct students—ones who will be highly motivated to multiply the training.

Excellent, committed translators who can easily and accurately translate biblical concepts.

Quality training areas to be available where students may learn without distractions.

God to limit outside distractions that can occur during training.

Facilitators to depend on the guidance of the Holy Spirit as they train—training situations can be fluid and require flexibility.

Pastors and church leaders to receive the encouragement they need and be empowered to lead their churches with biblical truths.
