

child protection program

Safety first! Our policy keeps kids safe – it keeps workers safe from liability – it keeps our congregation safe from accidents and abuse. It's about safety! We want to make sure that all those who lead, supervise, or interact with children act safely and in a Christian manner. We want to equip chaperons and leaders to make wise decisions and respond to unusual situations appropriately. This requires a brush-up every few years! **All those who work with children at St. Peter's must be certified in our Child Protection Program. Upcoming 2021/2022 training dates are:**
