Dear Friends at St. Peter's,

The beautiful little girl you are looking at just happens to be my granddaughter, Eloise. Her one-year birthday will be April 2. Some of you know the thrill of being a grandparent. But whether we are grandparents or parents or not—God has placed people in our lives who are dear to us. He has put people around us who have enriched our lives and made them better than they would have been without them.

Our congregational purpose statement says:

Our Purpose as The Body of Christ at St. Peter's is to:

- Be ROOTED in Christ
- CULTIVATE Loving Relationships
- REFLECT Jesus...In all we do

For the transformation of lives and the growth of GOD'S Kingdom

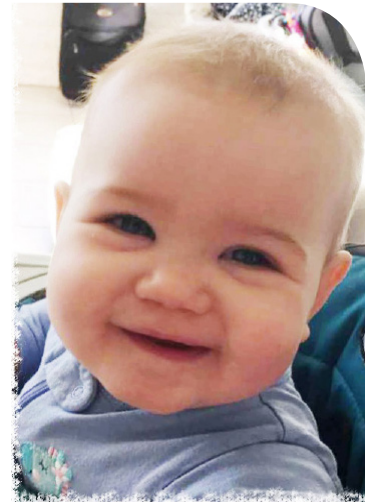

I would suggest that the statement "cultivate loving relationships" begins with those closest to us. It certainly doesn't end there, but it does begin there. I want to encourage you to continue to cultivate your relationship with those dearest to you. It can become so easy to take them for granted.

Being a grandparent, I am especially grateful for "Snapchat." Every day, Debbie and I receive three or four "Snapchats" of Eloise. (For those who don't know, Snapchat is similar to a video received on the phone that "evaporates" as soon as you've watched it.) While she and her parents live in Arizona, every day, we enjoy watching and listening to her as she eats, crawls, plays, looks at her books, laughs and makes other entertaining sounds.

Who are those who are dearest to you? What might you do to cultivate your relationship with them? You won't regret it!

In Jesus' Love,

Pastor Teike

LIFE | CARE

"Cancer—it will never happen to me or to someone I love."

A lot of us might believe this, but a lot of us are wrong. Statistics say that one in eight people will receive a cancer diagnosis at some point. People in our state, county, city and here at St. Peter's are being impacted by cancer.

Cancer Care Team training will begin again at the end of March. We will meet for two hours at a time for eight weeks. The specific day and time for training will be decided on after all those interested have expressed their interest. After this initial training there will be ongoing support for those who are trained.

We are looking for individuals or couples who would be willing to minister to those who are in need. Sometimes that might be just listening, driving to an appointment, or organizing more help that might be needed.

For further information and to sign up for the training, please contact one of the leaders:

Jan Matchette: jmatch327@att.net 812 350-3998 (cell),

Duane Risser: d.risser@sbcglobal.net 812 344-8142 (cell)

Pastor Galligar: pgalligar@stpeters-columbus.org.

Did you know?

Our Life | Care Team visits those in Columbus Regional Hospital or Hospice every single day of every single week, all year long? They also come to the hospital to pray for those who are having surgery here in Columbus prior to the surgery. We also have team members who travel to all the hospitals in the area a couple times a week to visit and pray with individuals who are there.

From Orthoindy Hospital in Carmel, to University of Louisville Hospital in Kentucky, to Cincinnati Children's Hospital in Cincinnati, to IU Health Hospital in Bloomington these team members cover a lot of ground serving those connected to the body of Christ at St. Peter's. These same members come to the out of town hospitals to pray prior to surgeries as well. No matter what time of day or what day of the week, the Life | Care Team wants to be there for you.

In order for us to serve you best in this way, please contact us and let us know when you, a friend, or a family member are being admitted to the hospital, or are scheduled for surgery. Contact either Pastor Galligar at pgalligar@stpeters-columbus.org and 812 350-7820 (cell), or Life | Care Coordinator, Keith Hall at prayer@stpeters-columbus.org and 812 343-7085 (cell)

Sometimes things change on us before we realize it...

Sometimes things change in the blink of an eye, other times they change so slowly that we don't realize it. For example, as we age our abilities decline gradually. During most of our life we attend worship regularly and things generally go well for us. Then as we age, it is harder to get up and get ready for morning worship. Maybe we have an illness that keeps us out a week or two. And before you know it, one month has gone by then another.

The Life | Care team has over thirty caring and well trained individuals to bring worship to those who are not able to get to the church. These team members currently serve over 85 individuals who are not able to come to the church, bringing them the love of Christ, the Lord's Supper, and encouragement. It is this team's joy to serve in this way. Who do you know that hasn't been able to get to church in a while?

We would love to connect with them and bring the church to them. In order for us to do this best, we need your help to identify those most in need of being served in this way. Please connect with Pastor Galligar at pgalligar@stpeters-columbus.org and 812 350-7820 (cell), or Life | Care Coordinator, Keith Hall at prayer@stpeters-columbus.org and 812 343-7085 (cell) and let us know who else we can serve and how.

India Transformed Luncheon

Sunday, April 29, 10:45-1pm, cafeteria and gym

This year we are having a wonderful lunch to help support women in India, so they can have our garment-making training. This 6-month training is \$65 per month, and equips women to support their families and children. It is called "Talitha Cumi", which means "little girl arise", spoken by our Lord Jesus to the daughter of Jairus. Not only do the women learn to sew, but they experience the love of Jesus and many come to believe in Him.

Delicious egg rolls, soups, salads and desserts will be served. Your cash donations or checks will support India Transformed. Please pick up your free RSVP ticket at the booth in the narthex.

Volunteer Opportunities Adults over age 18

St. Peter's partners with Turning Point Domestic Violence Services by providing volunteers and financial support. Here are some ways you might wish to serve:

Weekly Childcare

This 90-minute weekly volunteer commitment at the Columbus location (Monday or Wednesday or Thursday from 10-11:30am or 4:30-6pm) is a wonderful way to support a family trying to flee a domestic violence situation. When possible, volunteers work in pairs - playing, reading, doing crafts, etc. This gives the moms a much-needed break to relax and/or work on goal-related activities. The mothers greatly appreciate the childcare and the children look forward to the time with the adult volunteers. Volunteer

Handyman

Join a small team of volunteer handymen who help with repairs, maintenance in the shelter, and occasionally transporting items from the Turning Point shelter to SansSouci, etc. Times for helping are flexible. For more information on either of these volunteer opportunities, please contact volunteer coordinator; Anne Courtney: annecourtney@turningpointdv.org 812 657-1304 (text or call)

Lenten Wednesday & Holy Week Services

This year's midweek Lenten series is entitled "Sounds of the Passion." Throughout our Wednesday worship services we will create a sense of the reality of Jesus' Passion. We will do this by lifting up some of the sounds that were heard by Jesus and the people of the Passion story, and then we will relate those sounds to similar sounds in our own everyday lives. Some of the sounds will confront us or convict us, and others will comfort us. Join us for "Sounds of the Passion." The Wednesday Lenten services are at 12:15pm or 7pm and should last no longer than 40 minutes, allowing those who attend the 12:15pm services to come during their lunch hour or those with children to be home in the evening before 8pm.
