

Love Does

All of us want to help others, especially if it's convenient. "Love Does" is a way you can become aware of a person's immediate or specific need, and respond if you are able.

You opt-in to receive a text from Jan Kiel or Lisa Pein, St Peter's staff, when a person's immediate need could be easily met.

Over the course of a week, you might receive a text or two. Examples:

LOVE DOES:
Member with flat tire at west-side Wal-mart. If able to help, call or text Jan [812-525-0727](tel:812-525-0727)

LOVE DOES: High chair needed for a foster family with new baby. If able to help, call or text Lisa at [812-564-3030](tel:812-564-3030)

If you're able to help, you call or text the number in the text (you don't reply directly to the text.) If you're not able to help, no response is needed. You may be able to help the next time. You may opt-out of "Love Does" at anytime. For more info, contact Jan Kiel @ (812) 525-0727, pick up a FAQ at the Information Center outside the sanctuary or get a copy on our website at www.stpeterscolumbus.org.
