

As you walk...

- Prayer can be out loud, although it's also OK for prayer to be silent. There may be some who are more comfortable with this, especially in public spaces.
- Arrange a venue where your group can meet before you go out. You may want to return here at the end for drinks and snacks, so confirm this is OK with whoever is hosting your event.
- Hand out the maps and prayer points and brief everyone about the route.
- Invite members in your group to hold hands or kneel as they pray.
- Invite members in your group to sing hymns or other worship music as they move from one prayer station to another.

Power of Prayer—How powerful is it?

The power of prayer should not be underestimated.

James 5:16-18 declares, "The prayer of a righteous man is powerful and effective. Elijah was a man just like us. He prayed earnestly that it would not rain, and it did not rain on the land for three and a half years. Again he prayed, and the heavens gave rain, and the earth produced its crops."

God most definitely listens to prayers, answers prayers, and moves in response to prayers.
