

Vacation Rental Cleaning Protocol

- ☞ We follow all state, local and Department of Business and Professional Regulations (DBPR): 61 C-3.001 (Sanitation and Safety Requirements of the Transient Lodging Statutes)
- ☞ Units shall not be rented for at least a 6 hour time period between guests to allow for cleaning and inspection of the unit
- ☞ Diluted household bleach solutions, cleaning products with at least 70% alcohol and certified cleaners that are CDC compliant shall be used
- ☞ Employees, including housekeeping personnel, shall wear masks and gloves for cleaning and for public interactions
- ☞ Cleaning inspections separate from the cleaning personnel shall be utilized to inspect the cleaning of each unit by inspectors wearing gloves and masks
- ☞ All employees shall have a wellness check upon arrival. Staff members who have a temperature of 100.4 degrees or higher will not be permitted to work
- ☞ Hand sanitizer shall be provided in all common areas like lobbies, pool decks, elevators and in rooms

Please see your Property Manager or Owner for more information.

Do your part, please!

We are taking all necessary precautions to maintain a healthy environment for our resident and guests.

Stay home if you feel sick

Limit groups <10

Maintain a safe distance

Wash your hands
