

Praises: Thank you, Lord:

- For lives changed as **life** is chosen for babies and **life** in Christ is chosen by clients
- For new opportunities for community outreach, including WAVA radio and a local church missions fair
- For new people desiring to serve with Sanctity of Life Ministries

Prayers for Clients:

- For clients to receive healing from past circumstances and through Jesus, have the courage to go forward with unplanned pregnancies
- For God to bring more post-abortive women to join our post-abortion healing workshop

Prayers for Staff & Volunteers:

- For staff members & their families - health and healing in families experiencing challenges
- For our staff as we make preparations for the Annual Fellowship Dinner

General Prayers: Please pray:

- For moral and spiritual renewal in our nation -- especially in the aftermath of school tragedies
- That God would put it on the hearts of our supporters to attend the dinner and host a table to expand our outreach

For an abundance of favor with new individual supporters and new churches
