Feasts of the Bible by Dr. Sam Nadler: Enrich your worship of God by learning about the origin and symbolism of the Old Testament feasts and holidays given by God to his people. You will learn how the feasts are relevant for our lives today, how God's redemptive plan is unveiled through the feasts, how Messiah Jesus is the fulfillment of the feasts, and other exciting revelations. Video in class. Teachers: Emily Nichols & Kathryn Ditson

God's Glorious Grace (Jonah & Galatians Unplugged):

This semester we will study Galatians! The legalism of the ultra-religious Jews can't drown out Apostle Paul's message of God's glorious grace to new believers in Christ. Components of this course include prayer, line-by-line study of Galatians, and group discussion. Note: this is a year-long study. Class size limited to 30 participants. We have a few spring openings! Teachers: Heather Helmig, Tiffany Royce, and Pam Sanders

Rooted by the Rooted Network: Rooted isn't simply a Bible study or a book. It is a community experience, where people practice steps essential to a healthy relationship with Jesus. Individuals establish firm roots in the Truth of God's Word through personal study and then come together to discuss what they're learning in a space where they are safe and known. Topics include: prayer, daily devotion, freedom from strongholds, sacrificial generosity, serving the community, and celebration. Teacher: Susan Allen

Heaven by Randy Alcorn: As family and friends pass away, it is natural to ask questions about heaven. However, our understanding of heaven is often limited to half-forgotten Sunday school lessons and the insubstantial images provided by popular movies and TV. Fortunately, Randy Alcorn gives us with a thoroughly researched and biblically definitive description of heaven. He addresses our most serious questions about heaven, including the nature of judgment, and answers a few of our less serious questions as well. The Bible will be our study guide. Come expectant! Teachers: Jackie Ehrman and Alice Anger

Precept Upon Precept: 1 Timothy: In this Precepts class, we will study elements of church leadership, worship, accurate teaching of God's Word, and our grace-filled responses to both successes and mistakes. Timothy, a young pastor, was instructed by Paul on all of these topics. The letter contains some doctrine but also very practical instructions for how people in the church are to live out the faith. Teachers: Carol Dick & Sanna Osborne

Raising Responsive Children by Judy Rossi: God's goal is not to change your children so that they will do what you want; it is to change you, so that you will do what He wants. In this study, you will examine your own relationship with your Heavenly Father. You will gain godly wisdom and perspective as you seek to raise your children to be responsive to you and ultimately to their Heavenly Father. We have spring openings available in this year-long class! Teachers: Judy Rossi, Lisa Toth & Megan Edwards

Through the Jesus Lens by Michael Williams: This study presents Christ as the central focus of every book of the Bible, emphasizing application to our daily lives. It provides a succinct statement of the theme of every book in the Bible; an explanation of how that theme finds its focus in Christ; and a brief discussion of how the New Testament treats that theme as fulfilled in Christ and suggestions for contemporary implications. We will review a summary of each book of the Bible and will hone in on a chapter of that book for heart work. Let's become familiar with how to read the Bible with Jesus as our focus. Yes! Even in the Old Testament! Teachers: Shelley Whitener and Diane Boucher.

Finding I Am by Lysa TerKeurst: What is the deep cry of your heart? The ache in your soul that keeps you up at night? The prayer you keep repeating? Jesus not only cares about this deep, spiritual wrestling, but He also wants to step in and see you through it. Join Lysa on the streets of Israel to explore the seven I AM statements of Jesus found in the Gospel of John. Through this interactive, in-depth study we will be trading feelings of emptiness and depletion for the fullness of knowing Jesus like never before. Video in class. Teacher: Kim Jones

What Did You Expect? by Paul Tripp: Because marriage always involves two sinners living together in a fallen world, reconciliation must be part of daily life for you and your spouse. Tripp's practical commitments - including facing failure, being willing to change, and embodying Christ's love - will show you how to grow a thriving grace-based marriage in all circumstances and seasons of your relationship. The Bible will be our study guide. Video in class. Teachers: Page Gyatt & Wendy Olmeda
